Notice About Our Bridge Center Building

Dear members and friends of Unit 530

2/10/19

I'd like to let you all know the progress in our search for a new building. We have formed a committee and we have begun our search. We are in the process of contacting all of the municipalities that own buildings on the former Fort Ord. We are also working with a commercial real estate agent to search for properties outside of Fort Ord

We understand that all of you want to help in any way that you can. However, I ask that you not pursue leads on your own, but rather send all of your leads and ideas to our committee. We have set up an email account specifically for sending information and questions related to our search for a new Bridge Center. Please email any leads to:

newmontereybridgecenter@gmail.com

Correspondence will be forwarded to the appropriate committee member.
