

## **Monterey Bridge Center Temporary Closure**

The Unit 530 Board has contacted all of the Club Owners who run games at the Monterey Bridge Center. The consensus from all Club Owners was to close the Bridge Center until April 1<sup>st</sup>. Since that time, new guidance has been received from ACBL:

“In an effort to ensure the health and safety of members in various locations across North America, we encourage that all club games as well as all tournaments currently scheduled through May 11, 2020 be cancelled or postponed.”

The timeline would make it difficult, if not impossible to plan for our Lone Cypress Sectional. Thus, the Unit Board of Directors has voted to cancel our May 16-17 sectional tournament.

We value the health and well-being of all of our players and want to ensure that our vulnerable population stays safe. Shelter in place as required. If we all follow these guidelines we will be back playing bridge with our friends much sooner!
