Pines Friday Afternoon Game

Our Pines Friday afternoon game will be played in the Community Room of St John's Chapel at 1490 Mark Thomas Dr. beginning on September 13th.

The time will be 12:30 to 4:00. Hopefully all will get a little head start on the traffic and, in the winter, will still be in the light while driving home.

I believe you will be very happy with our room, which has a serene garden setting with beautiful roses just outside the door.

We will have hand records and pre-dealt hands. Unfortunately, we will have no Bridge Mates, and will have to revert to pick up slips. We will also miss Mary as she prevented sit outs so many times. The table fees will return to \$8.00.

I'm thrilled and look forward to seeing all of you!
